Dear Ms. Creamer,

On behalf of the Board of Directors, staff, and members of Holcomb Farm, thank you for a generous donation to the Holcomb Farm Learning Centers! Your donation helps us to continue to develop and grow our center dedicated to innovative environmental, multicultural, arts, and community supported agriculture programs.

Your gift will enable Holcomb Farm to enhance the physical space to better be able to promote preservation of the land and responsible use of resources, and to continue to provide programs and events that encourage appreciation of the arts and of nature.

This past year over 13,500 visited Holcomb Farm to participate in arts and environmental programs, festivals, school programs, hiking the trails, riding their horses on the trails, and to simply enjoy the pastoral beauty of Holcomb Farm.

Thank you for making a difference in our community.

With warm regards,

Laura Heckman
Executive Director

Your contribution of \$500.00 is tax deductible and no goods or services have been provided in exchange for your donation.
